

Hope of the Journey to...

Where is your destination?

A reminder that God can only fulfil our
hopes and dreams

It's too easy to give up on our hopes and dreams

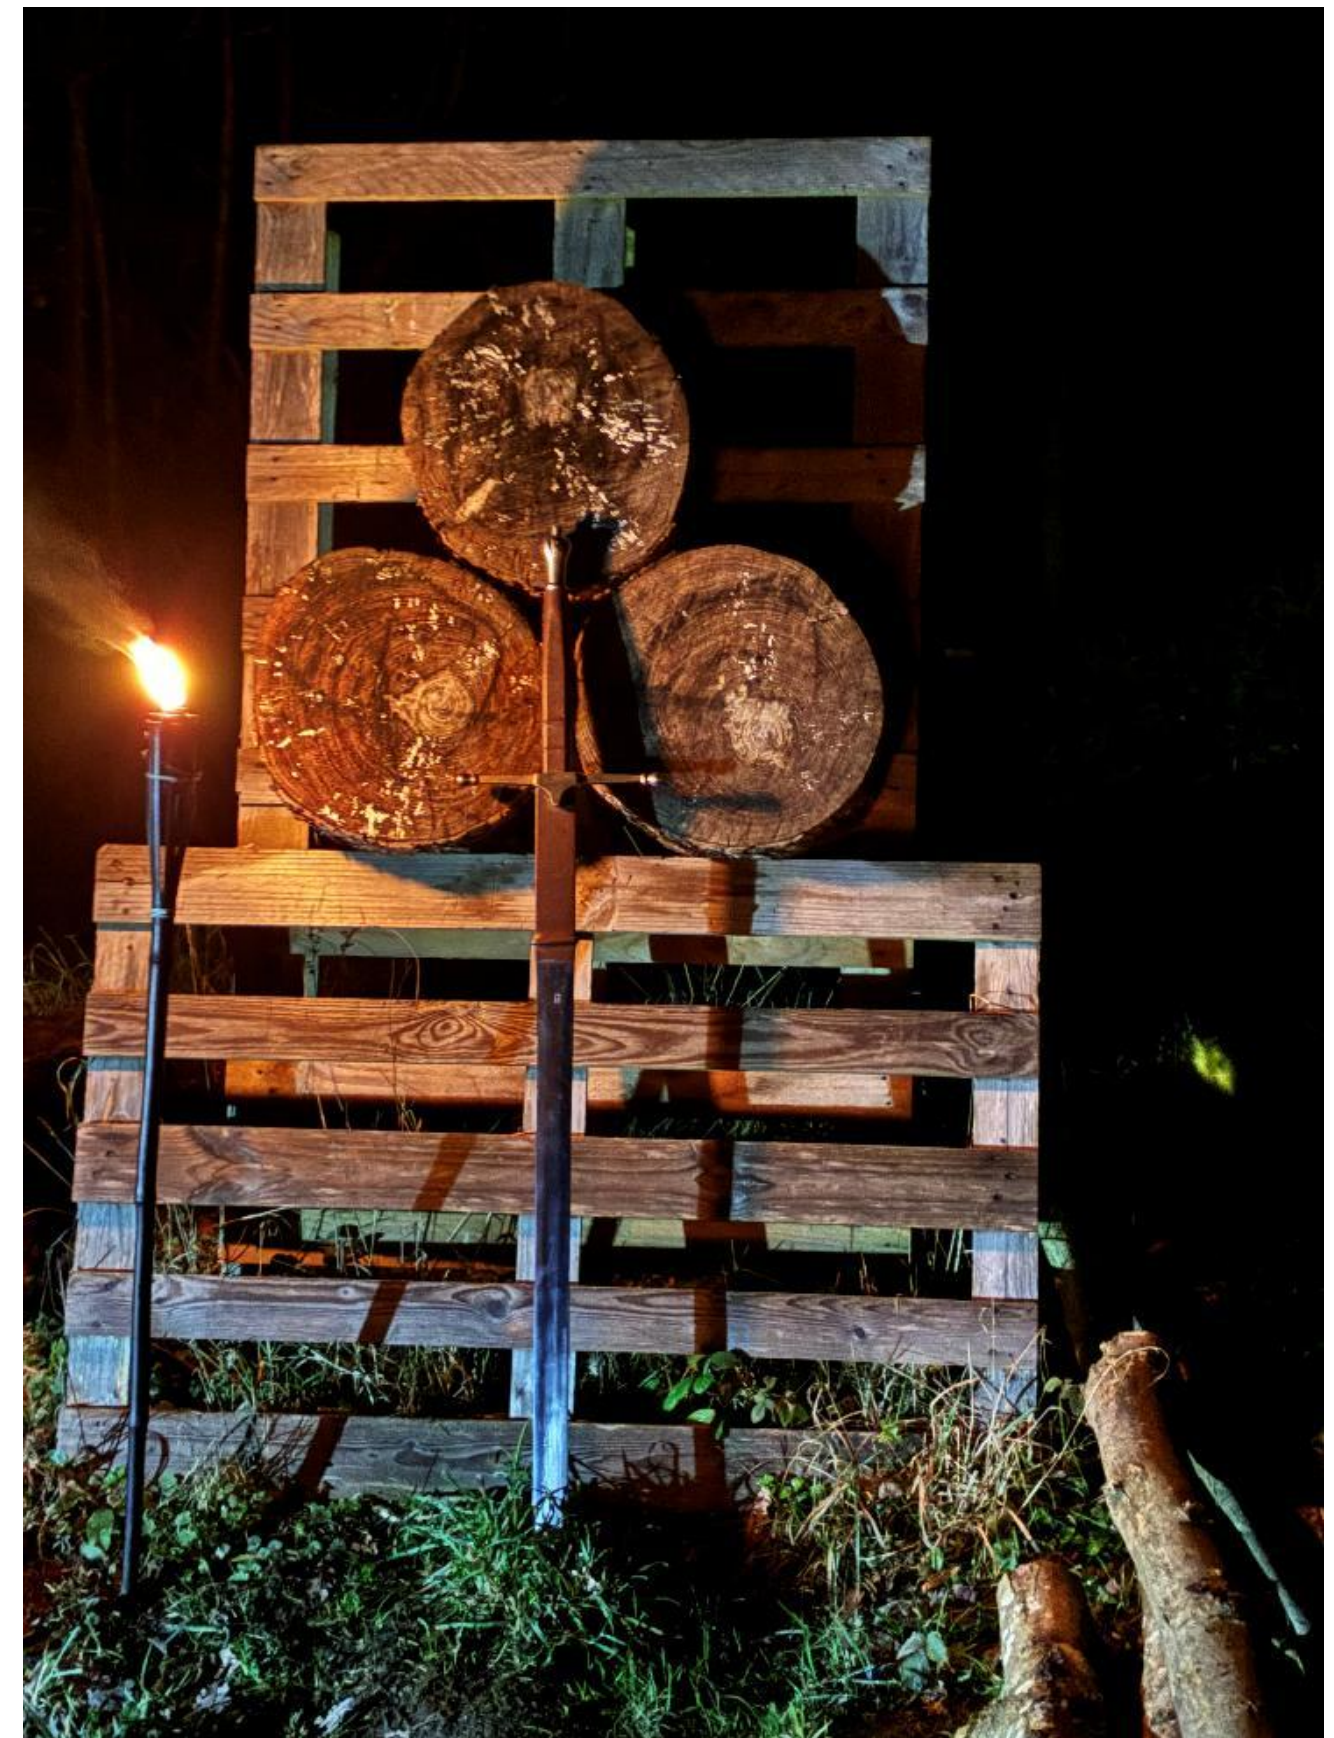

The
Journey
may be
difficult

Part of the journey is the end. Beginning of the journey
is difficult because of the unknown

Hope appears in
unexpected places and
God invites us to share in
the journey

Who are you inviting to share
in your journey?

Who has given you hope recently?

Hope of the Journey to...

Where is your journey taking you?

My journey is taking me towards **H**eaven, **O**bedience to Christ, **P**eople I love and **E**ternal Life....

HOPE
